1. Rumanian reserve officers were recently inducted for 40-day training periods. They were called up in small groups instead of all at one time and were assigned to troop units and training camps. One of the training camps was near Turnu Lagurele (R 33/34 / G 66).

2. The training of reserve officers emphasized the handling of new Soviet equipment. The training in the camps was supervised by Soviet officers.

This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 16 October 1978 from the Director of Central Intelligence to the Archivist of the United States.

Next Reside Date: 2008
